

Army Community Service (ACS)

presents

“The *PILLOW CASE* *Project!*”

For Soldiers and Family members!

This program is intended to enhance and strengthen memories between Soldiers and Family members during times of deployment or separation by offering a free pillowcase with the photograph of a loved one.

ACS will provide 2 pillowcases per family.

ACS will print 2 additional if the pillowcases are provided.

Simply provide a copy of the service members orders and send in your photos with a telephone number to ACS at

lorna.king@us.army.mil or drop it off at our front desk. Digital photographs are preferred but not required. A call will be made when the items are ready for pick up.

Yes, it's that easy!

If you would like to obtain more information on this unique project, contact ACS today!

734-6388/6648.
