

DISNEY DETAILS

There are four different Theme Parks in Disney World. Your Park Hopper ticket allows you to go to multiple parks within one day. You can take a ride on Space Mountain in the Magic Kingdom or take a flight on the exhilarating *Soarin*TM in Epcot. And if that is not enough, there are still two other parks to go. In Disney's MGM Studios, you can meet some of today's biggest stars including Kim Possible and Disney's Little Einsteins TM. And last but definitely not least set off on an adventure in Disney's Animal Kingdom's ® 110 acres of African savannah to encounter freely roaming wildlife.

Disney Tickets expire 14 days after first use. You can also purchase Disney Tickets that do not have an expiration date. Please call us for pricing.
